2009

Tell you a story bout two lads u might know,  
they rumble every party likely kick up a row.

A sum of set-backs, two freaks of nature,  
an incarnation of a hex, two rock 'n roll strangers.

You should never match with a real dream-team,  
*(never should match with a real dream-team).*  
this is the Hammer Of Love and the Rebel Rob theme.  
*(Hammer Of Love).*

**Hammer, Hammer Of Love Love Love Love.**  
**Hammer, Hammer Of Love Love Love Love.**  
**Hammer Of Love brings the Hammer down.**  
**Hammer, Hammer, Hammer.**  
**Yeah.**

Hammer hangin' round with his buddy Bud Spencer  
while Rebel Rob rode a million miles, yeah.  
*(Or a trillion).*

Boots in white suede and the steam of James Dean,  
they got love in the hip and heat in the beam.

You should never match with a real dream-team,  
*(never should match with a real dream-team).*  
this is the Hammer Of Love and the Rebel Rob theme.  
*(Hammer Of Love).*

**Hammer, Hammer Of Love Love Love Love.**  
**Hammer, Hammer Of Love Love Love Love.**  
**Hammer Of Love brings the Hammer down.**  
**Hammer, Hammer, Hammer.**  
**Oh Yeah.**

**Hammer,**  
**Hammer Of Love.**  
**Hammer, Hammer Of Love Love Love Love.**  
**Hammer, Hammer Of Love Love Love Love.**  
**Hammer, Hammer Of Love Love Love Love.**
